Why Choose POLTEKPAR PRIMA?

1 Standardized Curriculum

The learning framework of Politeknik Pariwisata Prima Internasional conforms to the Indonesian National Qualifications Framework (KKNI) and fulfills the ASEAN Mutual Recognition Arrangement (MRA) on Tourism Professionals.

2 Comprehensive Facilities

Equipped with high-standard academic facilities, including Practice Laboratories, a Training Restaurant, a Training Kitchen, and a representative library.

3 60% Practical & 40% Theoretical Learning:

With a curriculum focused heavily on hands-on practical training, graduates are workplace-ready for industry demands and entrepreneurship.

4 Overseas Industrial Internship or Employment

Students have opportunities to undertake Industrial Internships (PRAKERIN) or pursue professional employment abroad, enabling them to compete effectively in global and national markets.

5 Lecturers and Instructors with International Experience

Faculty members and instructors possess extensive professional backgrounds within the tourism industry alongside proven international track records.

6 National and International Partnerships

We maintain strategic domestic and global partnerships with corporate industries, government institutions, and higher education establishments.
